Book Descriptions:

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with canon ir 2570c manual . To get started finding canon ir 2570c manual , you are right to find our website which has a comprehensive collection of manuals listed.

Our library is the biggest of these that have literally hundreds of thousands of different products represented.

Book Descriptions:

canon ir 2570c manual

Please read this guide before operating this equipment. ENGLISH After you finish reading this guide, store it in a safe place for future reference. However, as we are constantly improving our products, if you need an exact specification, please contact Canon. Mac PS Driver Guide UFR II Driver Guide. Please read this manual thoroughly before operating the machine in order to familiarize yourself with its capabilities, and to make the most of its many functions. After reading this manual, store it in a safe place for future reference. If you are copying documents that resemble paper money closely, you may be unable to get an appropriate image. Also, accessories such as watches and rings should be removed before working on the product. The reflected beam, even though visible or invisible, can permanently damage your eyes. If you move to another EU country and are experiencing trouble please call the Canon Help Desk. Adobe, Adobe Acrobat, PostScript, and PostScript3 are trademarks of Adobe Systems Incorporated. Macintosh and Mac OS are trademarks of Apple Computer, Inc. Then, contact your local authorized Canon dealer. Continued use of the machine in this condition may result in a fire or electrical shock. Since radiation emitted inside the product is completely confined within protective housings and external covers, the laser beam cannot escape from the machine during any phase of user operation. Follow the instructions below to use the User Manual CDROM Menu. System Requirements The User Manual CDROM Menu can be used in the following system environments. When you insert the User Manual CDROM provided into the CDROM drive, the Language Selection screen is displayed. IMPORTANT If the breaker stops between ON and OFF, move the breaker lever to OFF, then back to ON. Installation Location and Handling.12 Installation Precautions. We recommend that you read this section prior to using this machine. This machine generates a slight amount of ozone during normal use. <http://www.zkojicin.cz/userfiles/ic-1200-manual.xml>

- **canon ir 2570c manual, canon ir 2570c manual pdf, canon ir 2570c manual download, canon ir 2570c manual free, canon ir 2570c manual instructions.**

Although sensitivity to ozone may vary, this amount is not harmful. Ozone may be more noticeable during extended use or long production runs, especially in poorly ventilated rooms. If the room in which the machine is installed is cold but rapidly heated, water droplets condensation may form inside the machine. This may result in a noticeable degradation in the quality of the copied image, the inability to properly scan an original, or the copies having no printed image at all. No optional equipment is attached. The optional Feeder DADFL1, FinisherP1, and Paper DeckQ1 are attached. 100 mm or more 1,431 mm 1,228 mm Installation Location and Handling 100 mm or more 1,035 mm. Using the machine in this state may cause a fire or electrical shock. Also, avoid. If you lose the edit pen, contact your local authorized Canon dealer. Do not use an object with a sharp end, such as a pencil or ballpoint pen, in place of the edit pen. How to Turn ON the Main Power Make sure that the power plug is firmly inserted into the power outlet. The selected mode is set. Things You Must Do Before Using This Machine 125. NOTE You can also specify to automatically synchronize the date and time with a server on the network from the Additional Functions screen. This number is printed on the document that you fax to the receiving party. The number may also be displayed on the touch panel display of the receiving partys machine, depending on their type of machine. You can enter up to 24 characters for the senders name. The selected mode is set. Registering the Units Name Your name or companys name must be registered as the units name a department name is optional. The selected mode is set. Use this help function if you do not understand how to use the mode you are setting. Loading Paper.22 Replacing the Toner Cartridge. Doing so may cause paper jams. Grip the

handle, and pull out the paper drawer until it stops. Open a package of paper, and remove the paper stack. <http://iamtimeshare.com/userfiles/ic-229h-manual.xml>

CAUTION When loading paper, take care not to cut your hands on the edges of the paper. Also, you should always fan paper that has just been removed from a newly opened paper package. **CAUTION** When returning the paper drawer to its original position, be careful not to get your fingers caught, as this may result in personal injury. **IMPORTANT** You will not be able to make copies or print if you load paper that exceeds the loading limit, or if the paper drawer is not completely pushed into the machine. You can continue printing, but at this time you should purchase new toner of the indicated colour so that you have it available when needed. A toner cartridge revolver is mounted inside the machine. **IMPORTANT** Turn the knob on the black cartridge, until the arrow points to Unlock. Turn the knob on the cyan, magenta, or yellow toner cartridge until it stops. Replacing the Toner Cartridge Black Toner Cartridge Cyan, Magenta, or Yellow Toner Cartridge. Pull the toner cartridge out halfway, then remove it completely while supporting it with your other hand from underneath. **WARNING** Do not burn or throw used toner cartridges into open flames, as this may cause the toner remaining inside the cartridges to ignite resulting in burns or a fire. **IMPORTANT** Before you turn the knob on the toner cartridge, make sure that the toner cartridge is pushed in as far as possible. Close the toner supply port cover, and close the front cover of the main unit. Clearing Paper Jams..32 List of Error Messages. See the appropriate pages below for instructions on finding and removing jammed paper. Or, you can follow the instructions on the touch panel display. If jammed paper tears while it is being removed, be sure to remove any remaining pieces from inside the machine. If the machine still does not work normally, turn the main power OFF, disconnect the machine, and contact your local authorized Canon dealer. numeric keys on the control.

Cause 2 The job could not be processed, because it was canceled from the printer driver while the print data was being sent to the machine. Remedy Try printing again. Cygnus Solutions may not be used to endorse or promote products derived from this software without specific prior written permission. A nonexhaustive list of these documents is set forth below. This list is intended to be a guide only.As these instructions are intended to prevent injury to the user or other persons or destruction of property, always pay attention to these instructions. Also, since it may result in unexpected accidents or injuries, do not perform any operation unless otherwise specified in the manual.If these items come into contact with a highvoltage area inside the machine, it may result in a fire or electrical shock. Then, contact your local authorized Canon dealer. Blocking these openings can cause the machine to overheat. Never place the machine on a soft surface, such as a sofa or rug. Using an extension cord may result

in a fire or electrical shock.

If an extension cord must be used, however, use one rated for voltages of 220-240 V AC and over, untie the cord binding, and insert the power plug completely into the extension cord outlet to ensure a firm connection between the power cord and the extension cord. If the power cord is damaged, this could cause current to leak, resulting in a fire or electrical shock. If objects are placed around the power plug, you will be unable to unplug it in an emergency. Then, contact your local authorized Canon dealer. Continued use of the machine in this condition may result in a fire or electrical shock. If gas from these sprays comes into contact with the electrical components inside the machine, it may result in a fire or electrical shock. Otherwise, the power cord or interface cable may be damaged, resulting in a fire or electrical shock. Also, do not spill water, liquids, or flammable substances alcohol, benzene, paint thinner, etc. inside the machine. If these items come into contact with a highvoltage area inside the machine, it may result in a fire or electrical shock. If these items are dropped or spilled inside the machine, immediately turn OFF the main power switch, and disconnect the power cord from the power outlet. Then, contact your local authorized Canon dealer. Also, turn OFF the main Read the following remarks and instructions for safety. If the power cord is connected for a long period of time in a damp, dusty, or smoky location, dust can build up around the power plug and become damp. This may cause a short circuit and result in a fire. Do not use alcohol, benzene, paint thinner, or other flammable substances. Check detergent for flammability prior to use. If flammable substances come into contact with a highvoltage area inside the machine, it may result in a fire or electrical shock.

When removing jammed paper or when inspecting the inside of the machine, do not allow necklaces, bracelets, or other metal objects to touch the inside of the machine, as this may result in burns or electrical shock. If they become dirty, wash them immediately with cold water. Washing them with warm water will set the toner, and make it impossible to remove the toner stains. If the toner gets into your eyes or mouth, wash them immediately with cold water and immediately consult a physician. If the toner gets into your eyes or mouth, wash them immediately with cold water and immediately consult a physician. If these items are ingested, consult a physician immediately. If you use a cardiac pacemaker and feel abnormalities, please move away from the product and consult your doctor. Follow the instructions below to use the User Manual CDROM Menu. When you insert the User Manual CDROM provided into the CDROM drive, the Language Selection screen is displayed. Clicking a language on this screen displays the following menu.
