

Hollymatic[®] Super Forming and Portioning Machine

Forms and portions a wide variety of products including meat, poultry, seaFood, vegetables, bakery items and more.

There's a good reason why the Hollymatic Super is found in more restaurants, supermarkets, drive-ins, small locker plants, and institutions than any other patty machine. The Super is an industry favorite for producing high quality patties. It's the most popular patty machine ever built.

- ▶ Forms patties up to 8 oz. in weight, from 3/16" to 3/4" thick. (1" optional)
- ▶ Exact and consistent size, weight, and shape.
- ▶ Produce up to 2,100 patties per hour with reliable portion control.
- ▶ Automatic paper interleaving system.
- ▶ Safety Interlocked.
- ▶ Mold plate changes, simple and fast.
- ▶ Fast, easy clean-up with one tool disassembly.
